

Our mission

EuroNet MRPH stands for the European Network of Medical Residents in Public Health. It constitutes the network of European National associations of Public Health training programs, including medical and non-medical residents. It is a non-profit, international, independent and non-governmental association. EuroNet MRPH aims to create a professional network among European residents in Public Health in order to share information on educational programs, to facilitate exchanges and common activities, as well as to develop a body of scientific research.

Overview

EuroNet MRPH connects Public Health residents in Europe.

Its primary mission is to define a common core of competencies and knowledge for European Public Health residents in order to enhance national education programmes and promote their standardisation.

Organisation

EuroNet MRPH was founded in June 30th, 2011. It is a unique independent organisation representing nine national associations of residents in Public Health throughout Europe.

Each country is represented by 6 elected members. Residents from non-member countries can also participate in EuroNet activities.

New statutes

The new statutes has been approved by the Dublin AGM (November 2016). This will streamline the organisation increasing its efficiency and enabling it to better address current challenges in Public Health.

In practice - what EuroNet does

- ★ Publication and dissemination of a quarterly newsletter "EuroNews MRPH";
- ★ Provision of information regarding residency programmes and internships in member countries;
- ★ Facilitation of placements at international organisation;
- ★ Collaboration on research projects carried out in working groups and coordinated by the Research lead;
- ★ Presentations at training events, national and international conferences;
- ★ Qualitative research conducted to explore different aspects of Public Health training throughout Europe.

EURONET PLATFORM PROJECT

Created in collaboration with ESME SUDRIA, engineering school in Paris, Lyon and Lille, the **Platform** is free online service to connect residents from all over Europe to conduct scientific projects in Public Health.

Meet us in **STRASBOURG** for the
EuroNet MRPH Spring Meeting
7-8th April 2017
