

*SPRING  
MEETING  
2025*

# Transforming Public Health Professions in the Digital Age

*19-21 May 2025 - Paris, France  
Pitié-Salpêtrière & Saint-Antoine Hospital*

[euronetmrph.org](https://euronetmrph.org)

The **EuroNet MRPH Spring Meeting** is more than a yearly gathering, it's a space for young public health professionals across Europe to come together, share ideas, and imagine the future of our field.

This year, in the heart of Paris, we turn our focus to one of the most pressing and exciting challenges we face:

### **Transforming Public Health Professions in the Digital Age.**

Digital technologies are already reshaping the way we work, from health surveillance and communication to care delivery and decision-making. As residents and future leaders, we need to understand these tools, but also question them, adapt them, and guide their integration with purpose and ethics.

Over three days, we will explore how digital transformation is influencing public health through **keynote talks, hands-on workshops, collaborative design challenges, and thoughtful discussions.** Together, we'll reflect on how these changes affect not only our systems, but also our roles, our training, and the values that guide us.

This year's theme reflects EuroNet's commitment to building a forward-thinking, connected, and inclusive public health community across Europe. We're thrilled to welcome you to this space of learning, experimentation, and shared vision.

# Welcome to Spring Meeting 2025

[euronetmrph.org](https://euronetmrph.org)

# Also, welcome to Paris!

**Why Paris?** Because where better to talk about the future than in a city that has always been ahead of its time? Paris is not just a global capital of culture, art, and croissants; it's also a fast-growing hub for digital health innovation.

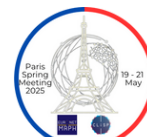

From its historic hospitals to its cutting-edge research centers, the city brings together the old and the new in a way that feels just right for a congress about transformation.

It's beautiful, it's inspiring, it's buzzing with ideas, and yes, it's also a great place to grab a coffee between sessions. Whether you're strolling along the Seine or brainstorming in a hospital amphitheatre, Paris sets the perfect stage for imagining what the next generation of public health could look like.

# Event Venues

## Pitié-Salpêtrière

105 Boulevard de l'Hôpital, 75013 Paris

## Hôpital Saint-Antoine

34 Rue Crozatier, 75012 Paris

One of the largest and most historic hospitals in Europe, **Pitié-Salpêtrière** is a landmark of French medicine and a symbol of public health excellence. Located in the 13th arrondissement, the hospital is affiliated with Sorbonne University and plays a key role in research, teaching, and innovation.

Situated in the heart of the 12th arrondissement, **Saint-Antoine Hospital** is known for its dynamic academic environment and focus on clinical research and education. As part of the Assistance Publique-Hôpitaux de Paris (AP-HP), the hospital hosts a wide range of medical services and training programs.

# Scientific Program

*\*pending confirmation of additional speakers*

19 May

## Learning

Dive into digital public health through keynotes, workshops, and ethical debates.

*Pitié-Salpêtrière*

20 May

## Experimenting

Co-create innovative health solutions hands-on.

*Hôpital Saint-Antoine*

21 May

## Looking Ahead

Reflect, connect, and envision the future of public health.

*Pitié-Salpêtrière*

## 19 May “Learning” Pitié-Salpêtrière

8:30  
9:00 **Welcome Coffe**

# Social Program

Because learning is better shared, the Spring Meeting is your chance to connect, relax, and enjoy Paris together! We believe these moments are key to your experience.

Kick off your Parisian experience on **Monday, May 19th**! From 6:00 PM to 8:00 PM, join our **guided walking tours** (€12 each), starting directly from the university. Choose your adventure: the Classical Paris Tour, the vibrant Street Art Edition (13th arr.), or the insightful Health Landmarks Edition. It's a perfect ice-breaker!

Later, from 8:00 PM, you're invited to unwind and continue the day's conversations at **Le Food Society Paris**. It's an excellent spot to enjoy music, good company.

Speaking of staying connected... Oh right, we have a whatsapp group!

[euronetmrph.org](https://euronetmrph.org)

The camaraderie continues **Tuesday, May 20th**. Join us for a Social Dinner at 8:00 PM at the cozy **Bistrot Mon Café** for a warm, informal evening of connection.

Looking for a more casual option? **Les Blouses Blanches**, near the dinner venue, offers a friendly, budget-friendly alternative for a relaxed evening.

Joining In? Spaces for the Walking Tours and Social Dinner are limited!

**Secure your spot for these events** via the registration form and, if you're already registered for the main event, use the "FREE TICKET TO ADD OPTIONS" to add these social activities.

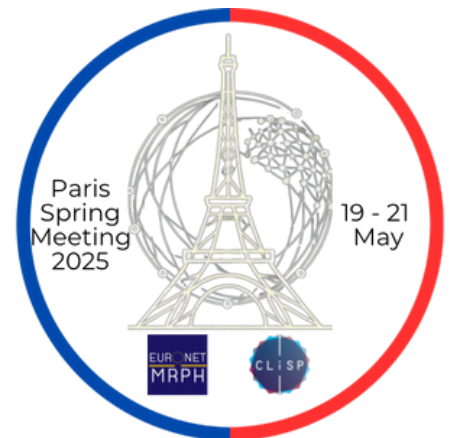

For all news and real-time announcements during the event, keep an eye on our channels. **Follow us to stay updated.**

the Last page!*

# Organizing Committee

We built this event together, starting with  
the dedication of our Organizing Committee,  
and supported by the incredible  
collaboration of several members of the  
EuroNet MRPH Boards & Leads.

# Thank You!
